

FEEDBACK ANALYSIS REPORT

2021-2022

Students, Teachers, Parents and Alumni play an important role in evaluation, development and enhancement of the quality of the learning process. The students are important stake holders of the Institution. The student feedback on different aspects of assessment of the teachers and college were collected and analyzed. A total of 621 students from all streams participated in the survey. The feedback on Institution and Teachers were collected on different parameter for evaluation.

- Communication skill of teacher
- Interest generation on courses by the teacher.
- Knowledge base, accessibility to the students.
- Sincerity and commitment of the teacher.

The feedback on Institution were collected on

- Infrastructure and basic facilities, drinking water, Library facility.
- Teaching and Learning process and frame work.
- Cooperation of the authorities to solve the problems
- Participation of students in literary /Cultural/sports and extracurricular activities
- Motivate the student to participate in seminar, role play, group discussion.

From the above parameter analysis of the feedback on Institute and Teacher. It is observed that maximum number of student have exercised their satisfaction and positive views. They are well satisfied with the curriculum development and revision.

Suggestion for consideration from student sides.

- More number of regular faculties.
- Up gradation of Laboratories.
- Introduction of skill based curriculum.
- Basic facilities like fan, Light.
- Information should be provided in the class. There should be a student help line number. Students' issues should be comprehended.
- Talent based programs, staff members and professors should behave gently, books for PG should be made available.
- There should be means of transportation up and through College campus.

Suggestion for consideration from PTA sides.

- Taking student's future into consideration job oriented seminar should be organized.
- Professors should give adequate time in the class and they should encourage the students and they should also be kept free from other works.
- We are satisfied with our girl's education.
- Education should be better and facilities for girls should be increased.
- The college's name should be on top in the state.
- Parent level meeting should be held every six months.

Suggestion for consideration from Teachers sides.

- Offline exams should be held because students have been losing interest in the study
- There should be a sanitary pad machine in the girls' common room.
- WI FI -facility should be made available in every department.
- Taking into consideration the present examination system, entrance exams should be arranged to take admission in the higher education.
- Vacant posts in both teaching and non teaching staff should be filled in the college as soon as possible.
- For the smooth running of academic, administrative and other activities, vacant posts of principal and professors must be filled through promotion.
- There are issues like Network issues, attendance of students, net issues, voice breaks and students have difficulties in joining online classes due to network.
- Due to blended nature of examination, students' knowledge in their respective subjects has decreased.

Suggestion for consideration from Alumni sides.

- We want our students to be progressive and our children will be sent to college daily.
- I concur with the discussion held under parent teacher meeting and I agree with the regular presence of students. Teacher's responsibility was well executed by you.
